Gorgeous dark brown wrapper with visible oils and tooth and a heavy pre-light aroma. A lot of spice develops on the palate and is always present through the nose. Big complex aroma with full-flavors and the body to back it up. Long and full-flavored finish that will stay with you. An extremely well-made, complex, full-bodied, and full-flavored cigar.

A gorgeous looking creamy brown wrapper with almost invisible seems. Flawless construction with a lot of flavor. Honey-like sweet flavors and aroma with earthiness, and a creamy texture. Medium-bodied overall with a full flavors and a big flavorful aroma. Outstanding construction. A very-well made, complex cigar.
